Finger painting
 Say goodbye to chipped nails and hello to hybrid nail colour! Shellac – a new salon service from Creative Nail Design. Shellac goes on like a nail polish but wears like a gel. The result is shiny, strong nails that last for 14 days, and the best bit – there's zero dry time. To find your local shellac salon, visit www.creativenails.co.nz.

WHAT A BEAUTY
 Happy Birthday, Elizabeth! In 1910, Elizabeth Arden opened her first salon in New York, and she became the first woman to make the perfect skin cream. To find your local shellac salon, visit www.creativenails.co.nz.

Jurlique
 Australian natural skincare brand Jurlique has just launched in NZ, a luxurious range packed with potent herbs and flower extracts. We love Jurlique Rosewater Balancing Mist. \$20 – every bottle contains over 5,000 rose petals!
