

SPAEDICURE™

# EARTH HYDRATING LOTION

(Formerly Raw Earth™ Massage)

ESCAPE. EXHALE. RELAX.

## WHAT IT IS

Soothing moisturizer, rich in vitamins and minerals, shields the skin with a satin finish.

## WHAT IT DOES

- Moisturizing complex protects skin, leaves a satin finish and provides smooth glide for massage.
- Helps protect skin against environmental stress with smithsonite extract, grape seed extract and vitamins.

## WHY YOU NEED IT

- Offers lasting moisturization.
- Allows for an effortless massage.
- Provides an aromatherapeutic experience with natural orange flower, ginger and davana oils.

## FEATURED INGREDIENTS & BENEFITS

### Smithsonite Extract:

Water-soluble extract of the naturally occurring mineral smithsonite. Used as a skin protectant.

### Allantoin:

Soothes dry, damaged skin. Known for its anti-irritant properties.

### Grape Seed Extract (Vitis Vinifera):

Extract of grape seeds known to be used as an antioxidant.

### Evening Primrose Oil (Oenothera Biennis):

Extract of the evening primrose flower known to be used as an antioxidant.

### Panthenol (Pro Vitamin B5):

Highly effective moisturizing and softening agent, known to improve skin elasticity.

### Davana Oil:

Naturally occurring, sweet-smelling fragrance oil distilled from a flowering herb (Artemisia Pallens) that grows in Southern India.

## DIRECTIONS FOR USE

- Massage a small dollop of lotion onto the foot and lower leg.
- Wipe excess product from the bottom of the foot if necessary.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Affordable gift item; excellent retail opportunity.
