

SPAPEDICURE™

EARTH MINERAL BATH

(Formerly Raw Earth™ Clean)

ESCAPE. EXHALE. RELAX.

WHAT IT IS

Calming, effervescent mineral soak for cleansing and deodorizing feet.

WHAT IT DOES

- Helps guard skin against environmental stress with malachite.
- Cleanses and deodorizes feet.

WHY YOU NEED IT

- Provides aromatherapeutic benefits of natural grapefruit, lavender, peppermint and sandalwood oils.
- Quick-dissolving formula is whirlpool friendly.

FEATURED INGREDIENTS & BENEFITS

Citric Acid:

Naturally occurring alpha-hydroxy acid. Produced from citrus fruits such as oranges and lemons. Used to pH balance products.

Limonene:

Natural solvent; used for its cleansing and aromatherapeutic properties.

Bark Oil (*Amyris Balsamifera*):

Sweet-smelling oil that is also known by the name West Indian Sandalwood Oil.

Calendula Officinalis Flower Oil:

Extract of marigolds, known for its antiseptic properties on skin.

Malachite (*Copper Carbonate Hydroxide*):

Naturally occurring mineral with very high levels of copper carbonate, a water-soluble form of copper.

DIRECTIONS FOR USE

- Add 1 scoop of powder to a foot bath or 2-3 scoops to a motorized whirlpool tub.
- Submerge feet and soak for 3-5 minutes.

CND offers comprehensive education opportunities. Check the education section of cnd.com for a course near you.

CREATIVE SUGGESTIONS

- To enhance the ritual and customize the fragrance, add your favorite essential oil to the foot tub before soaking.
- Use in a bathtub for a relaxing, refreshing body soak.
