

SPAPEDICURE™

# EARTH MOISTURE MASQUE

(Formerly Raw Earth™ Masque)

ESCAPE. EXHALE. RELAX.

## WHAT IT IS

Protective, volcanic clay foot masque fortified with hydrating vitamins and minerals to deep-condition skin.

## WHAT IT DOES

- Delivers vitamins, minerals and moisturizing agents deep into the skin via volcanic clay.
- Moisturizes, aids in fighting free radicals and helps improve elasticity with vitamins A, E, panthenol (pro vitamin B5) and evening primrose oil.
- Helps protect skin against environmental stress with rhodochrosite extract and grape seed extract.

## WHY YOU NEED IT

- Deeply conditions and helps protect skin.
- Silky texture allows for ease of application and removal.
- Relaxes and comforts with aromatherapeutic ginger, patchouli and clove bud.

## FEATURED INGREDIENTS & BENEFITS

### Bentonite:

Micro-fine clay that conditions and cleanses. Also used to thicken products.

### Rhodochrosite Extract:

Water-soluble extract of the naturally occurring mineral rhodochrosite. Used as a skin protectant.

### Grape Seed Extract (Vitis Vinifera):

Extract of grape seeds known to be used as an antioxidant.

### Vitamin E (Tocopheryl Acetate):

Antioxidant known to neutralize free radicals associated with premature aging of the skin; softens and moisturizes.

### Panthenol (Pro Vitamin B5):

Highly effective moisturizing and softening agent, known to improve skin elasticity.

## DIRECTIONS FOR USE

- Remove foot from bath and pat dry.
- Apply dollop of masque onto the foot and ankle using your hands.
- Wrap foot with towel and leave on for 3-5 minutes.
- Rinse thoroughly to remove.

CND offers comprehensive education opportunities. Check the education section of [cnd.com](http://cnd.com) for a course near you.

## CREATIVE SUGGESTIONS

- Apply to feet with a facial applicator brush for a more refined service. Disinfect brush using soap and water or EPA-registered disinfectant solution between each client.
